2026

To whom it may concern,

_____ will be volunteering at Hope Valley Day Camp for the 2026 season. They will be in direct supervision of children ages 7-17. Our insurance policy requires us to get a Criminal Record Check and a Vulnerable Sector screening for anyone over the age of 18.

If you can extend any exception to paying a fee to our volunteer, it would be very much appreciated. If not, please issue a receipt they may submit so we can reimburse.

Please process this request and feel free to contact us if you have any further questions.

Thank you,

Liam Tait
